

How to get to the workshop site

The best way is to make travel arrangements to arrive at the Incheon airport at 3~4 pm on Aug 29th. We will have a chartered bus departing from Incheon airport around 4:30-5pm (depending on the arrival time of the participants). We will provide returning bus early on Sep 2nd. If the bus leaves around 9am, it will arrive at the Incheon airport before 11am. So you can make the departure time accordingly.

In case somebody is arriving at different time or coming from other place, there are alternative ways to get to the workshop site.

1. From the airport (Incheon and Gimpo airport)

- Airport shuttle bus from Incheon airport to YangPyeong Bus terminal via Gimpo airport (Three times a day, Incheon 9:20, 14:00, 18:00, Gimpo 9:50, 14:30, 18:30. It will take about 2 hours)
- From YangPyeong Bus terminal to the Hill House (workshop site): Taxi ride 10-15min, fare ~5000 Korean won.

2. From Seoul area

- One can come to the Incheon airport on Aug 29th at the arranged time.
- Or, there is a subway line called 'Jungang line'. The final station of the 'Jungang line' is called Guksu station, which is about 20 min Taxi ride from the Hill house. Fare is ~10,000 Korean won. It will take about 70min from the first station (Yongsan station) to the Guksu station on the 'Jungang line'.
